Support a student

Belong to the movement for positive change with the Diners Club Together for Change initiative. Teamed up with Feenix.org, Diners Club is dedicated to empowering and enhancing the skills of young women in the wine industry. We understand the profound impact that empowering just one individual can have for countless generations. That's why we're deeply committed to identifying these young women and providing them with opportunities for a brighter future.

Now, you can contribute using your Diners Club Card through Feenix.org and support these exceptionally talented young women in their efforts to complete their degrees.
